Re: *Application by SBC Communications Inc., et al. for Provision of In-Region,
InterLATA Services in California, WC Docket No. 02-306*

Dear Ms. Dortch:

On behalf of SBC Communications Inc. ("SBC") and at the request of Commission staff, I am enclosing a CD containing a variety of files associated with Pacific Bell's performance measurement results through the month of September 2002. Specifically, the enclosed CD includes the following files:

1. A Word document called "PB_GoldIntroduction_Sep02.doc," which provides a summary of 12 months of CLEC aggregate results that are detailed within the Gold Report and describes the color coding conventions used in that report.
2. An Excel document called "PB_CopperPenny_Sep02.xls," which cross-references the numbered submeasures with their full descriptions.
3. An Excel document called "PB_SpecialHOMR_Sep02.xls," which contains the past five months of data.
4. An Excel document called "PB_Pyrite_Sep02.xls," which contains the Gold report information (without the charts), as well as the derived p-Value and the critical p-Value for aggregate CLEC results.
5. An Excel document called "PB_Tangerine_Sep02.xls," which contains statewide aggregate CLEC results for those measurements that are officially reported by the four California Areas (North, Bay, LA, and South).

12

6. A folder called 'Gold Pdf' which contains Acrobat documents (corresponding to each performance measure) reflecting 12 months of CLEC aggregate results per submeasure.
7. A folder called "Gold Excel" which contains Excel documents (corresponding to each performance measure) reflecting 12 months of CLEC aggregate results per submeasure.

Pursuant to its policy and practice of restating performance data where appropriate,^{*} Pacific Bell recently restated August data for two submeasures (7-03300 and 9-90400) and September data for one submeasure (7-02900). Additional information regarding these restatements is available on the SBC/Pacific Bell website (<https://clec.sbc.com/clec>). The data included on the enclosed CD reflect these restatements.

In accordance with this Commission's Public Notice, DA 02-2333 (Sept. 20, 2002), SBC is filing an original and two copies of this letter and its enclosure. Thank you for your assistance in this matter.

Yours truly,

Colin S. Stretch
